SASSA wird noch nachhaltiger

Das Thema Nachhaltigkeit hat bei Sassa große Bedeutung. In Zeiten des Klimawandels steht für uns neben Mode zu fairen Preisen eine nachhaltige und umweltfreundliche Produktion an erster Stelle.

SASSA nutzt Umverpackungshüllen, die ausschließlich aus recyclingfähigem Polyester bestehen.

Nachhaltige Polyesterstoffe nach dem »Global Recycled Standard« (z. B. aus recycelten PET-Flaschen sowie alten Fischernetzen) finden Verwendung in den Serien »Shiny Sustainable« und »Sustainable Micro« sowie in unseren Sport-BHs.

Die Kartons der hauseigenen Lagerlogistik bestehen aus recyceltem Altpapier. Dies gilt auch für unsere Verpackungen im Online-Geschäft.

Unsere Kataloge werden auf Naturpapier gedruckt.

SASSA becomes even more sustainable

The topic of sustainability is very important for Sassa. In times of climate change, sustainable and environmentally friendly production is our top priority in addition to fashion at fair prices.

SASSA uses outer packaging sleeves which consist exclusively of recyclable polyester.

Sustainable polyester fabrics are being used in the »Shiny Sustainable« and »Sustainable Micro« series as well as in our sports bras. These fabrics comply to the »Global Recycled Standard«. Their raw materials range from recycled PET-bottles to old fishing nets.

All cardboard boxes used in our in-house warehouse logistics are made from recycled waste paper. This also applies to packaging in online shops.

Our catalogues are printed on natural paper.

Die für die Herstellung sorgfältig ausgewählten Stoffe, Spitzen und Accessoires entsprechen dem Standard »Öko-Tex100« und den Anforderungen der REACH-Verordnung.

Wir verwenden nachhaltige und schnell nachwachsende Rohstoffe wie Bambus, Modal & TENCEL.

Fabrics, laces and accessories are carefully selected in order to comply with the »Oeko-Tex100« standard as well as with the REACH regulation.

We also use sustainable and rapidly renewable raw materials such as bamboo, Modal & TENCEL.

Wir kooperieren im Bereich der Warenaufbereitung und Serviceleistungen mit der gemeinnützigen Bruderhaus-Diakonie der Gustav-Werner-Stiftung. Deren Werkstätte

bieten Menschen mit Behinderung die Möglichkeit, aktiv am Arbeitsleben teilzunehmen.

For additional work on our merchandise like individual packing for our customers etc. we employ the services of the BruderhausDiakonie, a workshop operated by the

non-profit Gustav Werner Foundation. This workshop offers people with disabilities the opportunity to actively participate in work life.

Als Mitglied der amfori BSCI (Business Social Compliance Initiative) verpflichtet SASSA sich selbst und seine Produktionspartner auf den zugrundeliegenden Verhaltenskodex zu guten Arbeitsbedingungen und verantwortungsbewusstem Handeln.

Seit über 25 Jahren pflegen wir langjährige, faire und loyale Beziehungen zu unseren Produktionsbetrieben.

As a member of the amfori BSCI (Business Social Compliance Initiative) SASSA and our producers commit themselves to good working conditions and responsible behavior based on the underlying code of conduct.

For more than 25 years we have maintained long-term, fair and loyal relationships with our producers.
